Dear Mayor Pierre,

The construction of Notre Dame D'Haiti is moving well, and is expected to come to completion towards the end of March. We are now faced with the challenge of raising the necessary dollars for furnish the inside of the church. We've been very fortunate in our efforts to solicit donors for items such as the windows, altar, and other necessities for the church. We are now looking to raise funds for the pews of the church, and we've drafted a couple of fundraisers to raise the funds. One of those fundraisers will be a picnic with the popular group 'DISIP' on Saturday April 14, likely from 2pm to 10pm. I am hoping you'll be able to assist us with a couple of things: One acquire the location, which we're looking towards FIU Stadium and the city stage. I know you're extremely busy, but the sooner you're able to circle back to us with a response, the better prepared we'll be for this fundraiser.

Thank you!
